## **ROUGH CREEK LODGE & RESORT**

### **Rough Creek Lodge Hunting Cancellation Policy**

Your hunting experience is important to us and great care goes into being prepared for your visit. Cancellations and "no shows" result in over-staffing and unnecessary expenses which we would rather not pass on to you and our other guests through higher prices. Hunting is a seasonal business with only a limited number of days and weekends to schedule hunts. We do not over book, so if you cancel your reservation, it is difficult to fill the time reserved for you. It is an opportunity lost to us and to other guests.

Because we are dedicated to delivering a memorable experience each time you visit, the following cancellation policy is necessary to keep our rates reasonable. We would never want to disappoint you by being unprepared when you arrive for your hunt, so please consider the unnecessary expense placed on us when a cancellation or no show occurs. Given your own business experience, we are confident you will understand the need to make the most of Rough Creek Lodge's limited availability of time and facilities for hunting. Let's be sure that we communicate and avoid unnecessary situations that result in extra expense for all of us.

The hunting cancellation policy is:

- All cancellations must be in writing via fax or e-mail and you must receive written confirmation from Rough Creek Lodge of receipt of your cancellation notice.
- Cancellations received more than 60 days prior to the hunt incur a \$250 cancellation fee and the remaining balance is returned or can be applied to a future booking.
- Cancellations received less than 60 days but more than 30 days prior to the hunt will incur a 35% cancellation fee of the value of the entire hunt. The balance of your deposit will be applied to a future booking.
- Cancellations received less than 30 days but more than 10 days prior to the hunt will incur a 50% cancellation fee of the value of the entire hunt. The balance of your deposit will be applied to a future booking.
- Cancellation received 10 days or less days prior to the hunt will forfeit the entire deposit.
- No Shows are charged the full balance of the booking.
- Rescheduling of cancelled hunts must occur within one year of the original hunt date or the remaining deposit will be forfeited.
- We encourage you to consider trip cancellation insurance. Contact your insurance agent or travel agent for information regarding such policies.
- Rough Creek Lodge reserves the right to cancel, postpone or substitute an alternate activity if weather conditions prevent the delivery of the specific services reserved. Appropriate adjustments will be made to the clients' charges.

## **Rough Creek Lodge Hunting Deposit Schedule**

All hunting activities at Rough Creek Lodge require a deposit to reserve your space. The deposit schedule is below. All deposits are subject to the Rough Creek Lodge Cancellation Policy.

- 31 days to more than 60 days prior to the hunt: 50% of the value of all hunts booked.
- 30 days and less: 100% of the value of all hunts booked.

## **Rough Creek Lodge Hunting Minimum Charges**

Rough Creek Lodge is extremely confident that you will see the animal you are hunting. To promote ethical hunting practices, the following pricing schedule will be observed on all furred animal hunts.

- Animal presents itself, shot taken and draws blood: 100% of the trophy fee.
- Animal presents itself, hunter chooses to not harvest: 25% of the trophy fee.
- No animal is found: Standard guide fee per type of hunt.

Please sign and email back as soon as possible. Reservation will be finalized upon receipt.
